MANUFACTURING

Produced by traditional methods of metalwork and decoration: metal casting, multi-layer forging, silvering, polishing, stamping, patina, fretwork. The blade is forged of multi-layer Japanese steel. The handle represents the upper body of a guardian. Made of carved ebony wood, with casted from Italian bronze and then silver coated parts as a belt for the guard, the shield and the head with helmet of the guardian. The scabbard is casted from Italian bronze and then silver coated sculpture, shaped as the lower body of the guardian. Detailed depiction of the boots, the sacristy and the belt. Green Italian Marble pedestal. Handmade luxury box of mahogany with twelve-layer varnish. Two pairs of demonstrative gloves in the set. Manufacturing process: 97 days.
